Background: The galaxy is your oyster. You can go anywhere, do anything. You're never down and out permanently — all you have to do is find an honest game of chance, and there's gambling everywhere. Money comes and money goes, but the game goes on.

Love 'em and leave 'em, that's your philosophy. You've never seen any point in settling down, not when there's a starship leaving in an hour, a gambling table in the lounge and new worlds to explore at the other end of the journey.

It's a good life. There's always something new to do, always another game, always a fine meal or a top-notch wine. You've seen the cream of society and the dregs of the galaxy, and you're comfortable with both.

How'd you get mixed up with the Rebellion? Well, it's more that you got mixed up with the Empire. A little misunderstanding, and presto! You're wanted on thirty planets. Tough to handle.

Well, why not? The Rebellion looks pretty hopeless right now, but it's always got a chance. . . . Hey, you're a gambler, right?

Personality: Charming, unfailingly polite, insouciant, and insincere. You do extremely well with members of the opposite sex.

A Quote: "Anyone for an honest game of chance?"

Connection With Other Characters: You've kicked around the galaxy a lot, and could have become friends with — or swindled — any one of them.
